TRANSPORTATION DIVISION

LOGISTICS OFFICE

DISCUSSION

25X1A While no significant organization changes are required in the Transportation Division several minor changes are proposed in order to further clarify functional responsibilities. These consist primarily of: (1) establishing a [] in the Cargo Branch to supervise the movement of cargo in and out of the [] and to supervise the truck fleet assigned for support of the Depot; this function formerly reported directly to the Chief, Transportation Division, and (2) refinement of staff and line functions within the Division.

JUSTIFICATION

The Staffing for the Transportation Division proposed herein is based upon past, current and anticipated workload and the number of personnel presently assigned. Based on these considerations and supported by workload data (see next page) a Table of Organization of [] positions is proposed. The present approved T/O consists of [] positions.

STATEMENT OF FUNCTIONS

TRANSPORTATION DIVISION
LOGISTICS OFFICE

MISSION

Under the supervision of the Chief of Logistics, the Transportation Division provides for the movement of Agency supplies and equipment, personnel, household goods, and privately owned automobiles. Develops and recommends transportation regulations, procedures, and programs which will insure timely movement of personnel, equipment and supplies to meet operational requirements in the most efficient and economical manner.

1. Develop, recommend and implement regulations and procedures pertaining to the transportation of personnel, equipment and supplies; the operation, use and maintenance of Agency controlled motor vehicles.
2. Provide Staff and Technical Guidance with regard to all Agency transportation matters.
3. Formulate plans, policies and technical methods for the training of personnel engaged in transportation activities.

25X1C

4.

5. Provide motor truck transportation for the movement of Agency equipment and supplies in the departmental area and for long distance hauls.

25X1C

6. Provide headquarters motor pool service and scheduled bus service.

7.
